Las Pilitas Nursery

Laura Lovett

## traits

- Evergreen shrub
- 1–2 ft tall by 3–6 ft wide
- Full sun or part shade
- Better with occasional summer watering
- Nice neat, dense form with aromatic gray-green foliage
- Good cascading over a wall or down a hill
- Good for bank stabilization
- Fast grower; easy to grow
- Pleasant fragrance
- Tolerates almost any soil type
- Deer won't eat it
