

# 'Concha' Lilac

*Ceanothus* 'Concha'

**shrubs for hedges**

CC Laura Camp

Native Sons Nursery

CC Laura Camp

## traits

- Evergreen shrub
- 4–8 ft tall and wide
- Full sun for best flowering, or part shade
- Give it water to get it established, then no summer water
- Gorgeous, deep blue, fragrant flowers in big clusters
- Fast growing
- Mounding, rounded form; tolerant of light pruning
- Tolerates alkaline soil, sand and clay
- One of the best, most reliable ceanothus cultivars
- Favored by bees
- Deer will browse it
- ALSO: *Ceanothus* 'Frosty Blue' to 6–8 ft tall and wide
