

BULL POINT TRAIL AND ABANDONED "F" RANCH (aka. OLD PT. REYES POST OFFICE) PT. REYES NATIONAL SEASHORE,  
 List compiled on field trips of 12 July 2006, 8 May 2007, 22 May 2008, 4 June 2009, July 2010, June 2011, August 2012, 7th July 2013,  
 18 July 2014, 29 Feb. 2016, 26 June 2016, July 2017, 13 July 2019 with Amelia Ryan, July 2023 with Amelia Ryan.  
 The area offers a variety of plant communities: coastal grassland, coastal scrub, freshwater marsh and saltmarsh.

KEY TO SYMBOLS; LIST IB.1 = rarest plants, LIST 4 = plants of limited distribution, \* = species alien to California  
 A total plant list of all occurrences reported for the area in recent years with new spp. and family alignments added March 2012.  
 This is list is maintained by Doreen Smith.

#### AGAVACEAE (AGAVE FAMILY)

|  |                       |  |
|--|-----------------------|--|
| Camassia quamash ssp. breviflora           | Camas-lily            |  |
| Chlorogalum pomeridianum var. pomeridianum | Straw-lily, Soap-root |  |

#### ANACARDIACEAE (SUMAC FAMILY)

|                            |            |  |
|----------------------------|------------|--|
| Toxicodendron diversilobum | Poison Oak |  |
|----------------------------|------------|--|

#### APIACEAE (CELERY FAMILY)

|                                      |                               |          |
|--------------------------------------|-------------------------------|----------|
| Angelica hendersonii                 | Coastal Angelica              |          |
| Berula erecta                        | Water Parsnip                 |          |
| Cicuta maculata var. bolanderi       | Large Water Hemlock           |          |
| Conium maculatum                     | Poison Hemlock                | *        |
| Daucus pusillus                      | Rattlesnake Weed, Wild Carrot |          |
| Eryngium armatum                     | Coyote Thistle                |          |
| Foeniculum vulgare                   | Sweet Fennel                  | *        |
| Heracleum maximum                    | Cow Parsnip                   |          |
| Oenanthe sarmentosa                  | Water Parsley                 |          |
| Osmorhiza berteroi                   | Sweet Cicely                  |          |
| Perideridia gairdneri ssp. gairdneri | Gairdner's Yampah             | LIST 4.2 |
| Perideridia kelloggii                | Kellogg's Yampah              |          |

#### ARALIACEAE (ARALIA FAMILY)

|                           |                              |   |
|---------------------------|------------------------------|---|
| Hedera helix              | English Ivy (under a willow) | * |
| Hydrocotyle ranunculoides | Notched-leaf Marsh Pennywort |   |
| Hydrocotyle verticillata  | Peltate Marsh Pennywort      |   |

#### ASTERACEAE (ASTER FAMILY)

|   |                                       |           |
|---|---------------------------------------|-----------|
| Achillea millefolium                    | Yarrow                                |           |
| Agoseris apargioides var. eastwoodiae   | Seaside Dune Dandelion                |           |
| Anaphalis margaritacea                  | Pearly Everlasting                    |           |
| Baccharis pilularis var. pilularis      | Prostrate Coyote Brush                |           |
| Blennosperma nanum var. robustum        | Pt. Reyes big Blennosperma            | LIST 1B.2 |
| Carduus pycnocephalus                   | Italian Thistle                       | *         |
| Centaurea melitensis                    | Maltese thistle                       | *         |
| Cirsium quercetorum                     | Brownie Thistle                       |           |
| Cirsium occidentale var. occidentale    | Cobweb Thistle                        |           |
| Cirsium vulgare                         | Bull Thistle                          | *         |
| Cotula australis                        | Green Buttons                         | *         |
| Cotula coronopifolia                    | Brass Buttons                         | *         |
| Ericameria ericoides                    | Coast Golden-bush                     |           |
| Logfia gallica                          | French Cudweed                        |           |
| Gamochaeta ustulata                     | Silver-leaf Cudweed                   |           |
| Gnaphalium palustre                     | Marsh Cudweed                         |           |
| Grindelia stricta var. platyphylla      | Prostrate Gumplant                    |           |
| Helenium puberulum                      | Sneezeweed                            |           |
| Hesperivax sparsiflora var. brevifolia  | Coastal Evax                          | LIST 1B.2 |
| Heterotheca sessiliflora ssp. bolanderi | Golden-aster                          |           |
| Hypochaeris glabra                      | Smooth Cat's-ear                      | *         |
| Hypochaeris radicata                    | Hairy Cat's-ear                       | *         |
| Jaumea carnosa                          | Jaumea                                |           |
| Lasthenia californica ssp. californica  | Goldfields                            |           |
| Layia platyglossa                       | Tidy-tips, usually w/ all-yellow rays |           |
| Leontodon saxatilis                     | Hawkbit Dandelion                     | *         |
| Madia gracilis                          | Small Tarplant                        |           |
| Madia sativa                            | Coastal Tar-plant                     |           |
| Matricaria discoidea                    | Pineapple Weed                        |           |
| Microseris bigelovii                    | Small Coastal Microseris              |           |
| Microseris paludosa                     | Marsh Microseris                      | LIST 1B.2 |

|  |                                 |           |
|--|---------------------------------|-----------|
| Pseudognaphalium luteoalbum                | Common Cudweed                  | *         |
| Pseudognaphalium ramosissimum              | Pink Cudweed                    |           |
| Pseudognaphalium stramineum                | Cotton-batting Cudweed          |           |
| Psilocarphus chilensis                     | Round- leaved Woolly Marbles    |           |
| Psilocarphus tenellus                      | Woolly Marbles                  |           |
| Senecio aronicoides                        | Butterweed                      |           |
| Senecio minima                             | Australian Fireweed             | *         |
| Senecio vulgaris                           | Common Groundsel                | *         |
| Silybum marianum                           | Milk Thistle                    | *         |
| Solidago elongata                          | Canada Goldenrod                |           |
| Solidago spathulata                        | Spoon-leaved Goldenrod          |           |
| Soliva sessilis                            | Soliva                          |           |
| Symphyotrichum chilense                    | Coast Aster                     |           |
| Taraxacum officinale                       | European Dandelion              | *         |
| <b>BETULACEAE (BIRCH FAMILY)</b>           |                                 |           |
| Alnus rubra                                | Red Alder                       |           |
| <b>BLECHNACEAE (DEER FERN FAMILY)</b>      |                                 |           |
| Struthiopteris spicant                     | Hard Fern, Deer Fern            |           |
| <b>BORAGINACEAE (BORAGE FAMILY)</b>        |                                 |           |
| Amsinckia intermedia                       | Common Fiddleneck               |           |
| Amsinckia spectabilis                      | Coastal Fiddleneck              |           |
| Cryptantha leiocarpa                       | Sand Cryptantha                 |           |
| Myosotis discolor                          | Color-change Forget-me-not      | *         |
| Nemophila menziesii var. menziesii         | Baby-blue-eyes                  |           |
